WINE OF CARDUI

Now, after taking the Wine of Cardui, she can work with her husband in the hay field. That is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely confined year after year. With the aid of Wine of Cardul a woman can do any reasonable work and enjoy good health. The

health that Wine of Cardui brings makes a woman vigorous in body and mind. Freed from those terrible devestating pains a woman grows well and strong naturally. Wine of Cardui regulates the disordered menstruation and cures leucorrhaea, falling of the womb and periodical pains in the head and back caused by standing or sitting a long time in the same position. Thedford's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Oreally increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell St.00 bottles of Wine of Cardui and 25 cent packages of Thedford's Black-Draught.
